

Change a life. **A child's – and your own.**

There are more than 500,000 American youth and young adults in foster care, and almost 10,000 of these children are currently in the Indiana foster care system. Indiana's foster youth and young adults need dedicated, available foster parents.

Please call to learn about:

- ❖ Foster parent requirements
- ❖ Training and licensing opportunities
- ❖ Support options
- ❖ Family reunification and permanency
- ❖ Benefits of fostering
- ❖ The realities of this challenging, yet rewarding work.

Become part of the solution – become a foster parent.
